VENESSA
made in the kitchen

Before I got married, I told my husband-to-be that I would bake him a birthday cake. I had never baked a cake, or anything else before, but I promised him and, damn it, I was going to do it. Well, I got out my mom's Betty Crocker cookbook, went to the grocery store and came back with the stuff to make the cake. I spent all day in the kitchen mixing, stirring and baking. When he came over that night, I presented him the most inedible cake on earth. He had a great sense of humor about it – and that's why I married him. When I showed him the mess I had made in the kitchen, he got excited and said let's do it in the kitchen. I stripped his pants off and started giving him a birthday blow job. He took what was left of the frosting and smeared it...

all over my newly-shaved pussy (yes, another birthday surprise for him). He licked me clean and I came really fast – and then poured some more on me for a second helping and I came for a second time in ten minutes. But all that did was make me hornier. I made him lean over the table and I got behind him and began to slap his ass. He loved it. I reached under his butt and grabbed his hard on. I pulled and yanked it, milking him as best I could while I nibbled and bit his butt cheeks until he said he was about to cum. I quickly grabbed the mixing bowl and jerked his cum right into it. I opened a bottle of birthday wine and we drank and fucked all night long. We didn't leave the kitchen until his birthday was over.

Well, my husband just left me for someone who makes pies! Isn't that a bummer. Now I have a kitchen full of cakes and no one to share them with.
Want some cake and eat me, too? Call me and tell me you do.

I always thought of myself as a sexual person, but it's hard to show it sometimes.

Then I met my 20 year old lover – and he truly brought out my wild side.

The first time we made love, it lasted all afternoon and late into the evening.

I came like six times and he climaxed four times. I didn't know men had that much in them.

Even though I'm no longer with him, I have had a few more young lovers, but my first was still the best. It was like rediscovering sex all over again. What I thought was pleasurable was only a prelude to passion. I've come out of my shell and want to share my experiences with someone new. That could be you if you call me. Please don't make me wait.

I love being fucked in the ass. All of my lovers have fucked me there at one time or another.

It's a much different sensation than being fucked in my pussy. The nerves are different and the tingling goes to another place. But when my ass and pussy are fucked at the same time, well, that just the best sensation in the world.

Baby, cum on. Baby do you like what you see? Then, it's time to get the party started.

I've brought the toys, but they are not enough. Do you have something I can use instead of this dildo? If you do, then I want you to shove it deep inside me and pump it as hard as you can. I can take it. Can you deliver?

There now. Wasn't that fun?
But I can take some more if
you can give me more of that

I was once a homebody but after I divorced my husband, I rediscovered myself. Now I'm a bit of a party girl and I'm loving my new found freedom.

I have even started seeing women and that is quite fun. The old me thought loving a woman was a big taboo. The new me thinks it's big excitement. If you've never tried it, do. It's great!

I discovered that my neighbor, whom I've lived next to for more than twenty years - was gay. That came as quite a surprise to me; but we were always friends. And now we've become lovers.

I learned this when I saw her sad one day and she confided in me that her girlfriend of ten years had left her - for a man, no less. I consoled her and a few months later we became lovers and see each other often.

I have not given up men. There's just something about a hard cock inside you that a dildo or vibe just cannot match. And the intensity of fucking that a man brings is just not the same as with a woman. I think I now have the best of both worlds. And I'd like to thank my ex for that.

Call me so I can tell you all about it. I'm waiting by the phone for your call. What are you waiting for. Go ahead, call me now.

The last ten years have been very kind to Sara. She was a bit of a wallflower but discovered she could be quite a lioness.

"I knew I had a great personality, but it took my eighteen year old daughter to really bring me out of my shell. She took me to the mall shopping for sexy lingerie. I bought some and wore it for my husband that night. With the kids asleep the love fires were ignited and that was the best lovemaking we had had in ages."

"Now I'm on the lookout for other things to stimulate our love life. One weekend the kids went to grandma's and he and I fucked all weekend. I think it helped that I shaved my pubes and he was ecstatic. He came six times that weekend. I didn't do too bad myself, either."

These pictures are for you.

Hey there. My name is Tara. I'm the blonde one. My best girlfriend, Luciana, came over to the house for a little fun. She is visiting from New England and brought a new toy with her. I can't wait to see and use it. In the meantime, we both have a bit of a pantyhose fetish, but the real fun begins when they come off.

Tara + Luciana

Luciana recollects the time when she and Tara first met. The account of their relationship begins on the following page and has yet ended. Grab a cup of coffee, your glasses and your penis and enjoy the story.

The traffic is light as I head towards Tara's apartment. It is almost time to meet her for the first time. My cell phone is on the seat next to me. I smile at the thought of hearing Tara's voice. I expect she will be fresh from the shower and ready for some loving.

Tara tells me she has a large appetite for sex. Her passions inspire me and I want to be the best lover I can for her. Tara has responded to my willingness to try different things and to take the time to arouse her deepest passions before I seek mine.

giggle is throaty and almost filled with anticipation. Her slight southern accent only makes her more desirable. We had planned a pantyhose party to get things started and she seems true to her word.

Tara's tells me how excited she is to see me when I tell her that I'm turning onto her street. I say that I'm dressed in a little black dress and bringing a surprise along with me but will have to show it to her later. It's red, I say.

to be an eternity for me, she finally answers. We say hello to each other with huge smiles as we see that the attraction is there. After all the months of back and forth emails and photos, this is the beautiful blonde I saw and she is happy to see me, too. Not wanting to be obvious on the door stoop, she invites me in, closes the door and gives me a big hug. Our breasts touch in the embrace and I feel her fullness. Her face is beautiful, as is her body and I cannot wait for us to be together. Tara tell me she is ready to feel my body; ready to take all the loving I can dish out. Now I

I have never seen her in person, but the pictures she shared with me over the internet and cell phone has fired my imagination. I just know her sweet treasure will be wet and juicy and ready for me. She tells me that her long blonde hair is a veil that will hang over her bountiful breasts. Tara is well beyond her teens but she still looks like she is twenty.

My cell phone rings. It is Tara. She tells me she is home and awaits me. She is dressed in a short white summer dress and nude pantyhose. Her

I tell her that I'm parking the car in from of her building. I ask if I can come in. The question hangs in the air. I ask if she is still there? I am worried that she is still nervous. I am worried that I have been too resourceful and too taken with her. I am worried that I have read too much into our shared passions; more than she ever intended.

I head up the front stairs to her house and knock on the door. What seems

am a little worried; a little performance anxiety, perhaps.

I drop my bag by the door as she escorts me in and offers a cup of coffee or tea. I politely refuse but ask for some water because the warm Atlanta day has made me thirsty. I look at her as she leaves the room. Her figure is awesome and her hair is gorgeous. And she is wearing those pantyhose. She returns from the kitchen and places the glass in my hand. I thank her smiling as I sip and refresh myself.

We make small talk for an hour and

then the conversation begins to get more erotic. She tells me about some of her experiences, with both men and women, I am the more quiet one and but I feel comfortable telling her about some of mine. We talk and giggle like schoolgirls. When we reach the comfort level we seek, she tells me that she wants to see my toenail polish and the cute shoes that show it off.

I stand and offer my feet for her inspection. She holds them tenderly and begins to caress and lick them. I respond and after a minute am on my back on

sized nipples ready to be licked and sucked. Which, of course, I oblige.

Next it is time for the pantyhose to release its hidden secrets. As they are pulled down I notice she has the same cut as me. We both like a little hair down there, but clean shaven around the pussy lips. I cannot take in everything that I want to see. I am on sensory overload. Her slit is shaved smooth. I can just see the pink of her inner lips

in teasing to bend over so she can lick my sweet pussy. I lean over the back of the sofa as she pulls down my hose and she nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole. The feelings are sublime.

I She pulls off my hose as I take her dress off leaving her in just her pantyhose. I rip the crotch open to get to her sweetness and she moans with desire. I gaze at the object of my affection and just as I close in to lick her, she pushes me back on the sofa saying she's not

the sofa so she can more fully adore them. My dress has hiked up and now my pantyhose is exposed and it seems to fuel her ardor. She arches over me so her pussy is just over my face. I kiss the insides of her silky thighs and work my way up to her treasure. Still covered with the fabric, I nuzzle it like in anticipation.

Slowly we both get upright and – on the count of three – pull our tops open. Our breasts are exposed and again we giggle complimenting each other on their beauty. Hers are full with perfect

peeking out. Her breasts are erect. Her smile is so welcoming. I know that I made the right choice. Finally, my gaze settles into her blue eyes. I could gaze into them for a long time.

Tara breaks the spell and the silence by asking me if I like what I see. I manage to sputter out that I am enthralled. I can feel my pussy getting wetter with anticipation. It is a wonderful feeling as my passion begins to rise. She beckons me

done with me yet. I see a sly smile break across her face as she begins with my nipples and works her way down to my pussy. Pulling my pussy lips open, she attacks my clit like a velvet warrior: soft yet hard. I lean back, close my eyes and take in all the senses that her swirling tongue delivers.

Lost in her love I climax quickly but she continues to lick me, inserting her fingers deep into my soaking wet pussy thrusting them in and out until I cum again and again.

I have to close my thighs. I cannot take any more for the moment. She sits up, her long tresses framing her beautiful face and her mouth wet with my juices. She bends over to give me a deep kiss

down, I kiss her again pressing a little harder parting her lips and thrusting my tongue past her teeth. Tara kisses me back with even more energy and passion than before.

before her. I make her stop so I can get the bag that I had dropped in the corner. I pull out a bright red dildo. It is as big as a large cock and she smiles with approval. We discuss the virtues of a dildo over a cock laughing at the expense of men's penises and the "my cock rules" attitude most of them have.

With no hesitation at all, Tara slips the dildo into her already moist mouth and moans with pleasure. I hold it in front of her as she is on her knees taking it in as far as she can, looking up at me with big doe eyes. She reaches back and

and I taste myself and get even more excited once again. I hug and caress her. Her skin is softer than I imagined. Her vanilla-scented perfume mingles with the raw musky scent of her sexed-up body chemistry. Bending my head

My free hand begins to caress Tara's breasts. Gently I twist and pull her nipples and she moans with pleasure. Tara interrupts to completely remove my pantyhose. She kneels to unfasten my shoes and pulls them off. I am naked

fondles herself as I take in the sexual spectacle before me. I tell her to get on her back as I hold the toy near my pussy and she leans back to lick it once again. I want her to touch herself so I can watch. Immediately her

hands slide down her body stopping at her full breasts and rubs them until her nipples are rock hard. They continue down the firmness of her belly to her pussy where she begins to rub her clit with one hand and hold her pussy lips

open with the other so I can watch. Her legs part a little wider to allow her to slip her fingers in all the way. I can see from her eyes that Tara is getting fully aroused and excited.

Tara's body trembles when I pull on her breasts. I take the dildo and move around to the front of her and insert it gently into her juicy pussy. Tara's passion is contagious. I'm now slipping

the vibrator in and out of her tight hole. She trembles and her first release rocks through her body. She begs me for more. Six hours have now passed and we head to the bedroom to nap.

Tara sits up and moves to the edge of the sofa. With her legs spread wide, I can see her love juices foaming from the dildo's plunges. Tara moans with pleasure as I continue to use the dildo to fuck her pussy. I run my hands over each leg, then rubbing her soft ass cheeks. She is so relaxed and ready to cum once again. I think I have made a new friend.

I love the look on guys' faces when I tell them that I'm a sexy model for a major website. "But you look so normal." is usually what I hear. "And what does abnormal look like? I just happen to like what I do and I'm damn good at it." That ususallly shuts them up and then we get down to it.

Confessions of a Hot Older Woman

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright hominess! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Call Now. 800-735-4058

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!

I have a beautiful pussy!

Or at least that's what I've been told. I discovered my sexuality when I was just eighteen. I had never really thought about sex before that. I never even masturbated until then. Now, I can't keep my hands off myself. I love to finger my hole and stroke my clit. It's something very intimate and sensual and I just love how it feels. If I had known how great this feels, I probably would have started much earlier.

A blonde woman with wavy hair is sitting on a bed, looking towards the camera with a slight smile. She is wearing a white lace bra and high-heeled sandals. Her hands are resting on her thighs. The bed has a floral patterned pillow and a checkered blanket. The background shows a window with blinds and a gold-colored headboard.

Now that I'm a grown woman, I can have my pussy touched and licked and even fucked anytime I want. And I want it a lot. I like the little tuft of hair that I keep just above my slit. I tried a landing strip, a Mohawk, a lightning bolt, a heart shape and even being bald. I keep one style for each lover. That way I know who I'll be fucking until it comes time to change the style and the lover down there. Which one do you prefer?

My pussy aches for you!

I've been playing with myself for too long lately.

My pussy needs to be stroked and caressed.

It needs love and attention paid to it.

It needs to be filled up by you!

UnCOVERed GIRL

Yo Shannon,

I love blondes, and I love you. When I saw your cover on the newsstands, I had to get the magazine and check you out. And man, do you check out. I could do without all the hokey cooking stuff, but your body and your boobs and your pussy could cook in my bed any day. I don't see a ring on your finger and I can tell you are probably over twenty, but how did you get such a slamming body. Do you work out? I love girls that work out. Do you go to a club or just work out at home? Do you really know how to cook? Are your boobs real? I bet I could tell by touching them. And man, I would live to lick your pussy. It looks so cool, all clean shaven like that. I'd part your pussy lips and stick my tongue in there as far as I could. And I'd love to see your blonde hair draped around my big cock with your sweet mouth sucking it until I came. I'm a nice Brooklyn boy who loves blondes. Is there any way we could meet? Or at least email each other?

— Barry, Brooklyn

Yo Barry, You have to know we cannot give out Shannon's personal info, but we can tell you she is as nice as she is hot. We'll pass along your note to her and if she decides to respond, we'll let you know. Meanwhile, here is another shot of her crazy cover. — Ed.

NICE OR NAUGHTY?

To the Editor,

Six months ago I married my high school sweetheart. She went to a religious high school and I went to a public school just down the road. Her dad is heavily in-

involved with the church and she went to church every Sunday. She even sang in the choir. Her parents are very nice and they were so gracious at our wedding. We honeymooned at Niagara Falls for a few days and never left the hotel room.

Well, that's where things got weird. I thought I knew her better than I apparently did. We had fucked a few times while we were engaged and while it was fun, it was not earth-shattering. We never slept overnight, just quick fucks and BJs

when we could find the time and privacy for them. I kinda resolved myself to a life of ho-hum sex (and probably very little of it after we had kids).

Still, I loved her and wanted to marry her and so we did. The first night of our honeymoon was nothing special, we were both so tired and beat by the end of the

day that we just collapsed in bed. In the morning she ordered room service and it arrived before I got up. She told me to go shower and she would set out the food. When I came out, she had it all nicely arranged on the little table by the window overlooking the falls. She ordered omelettes for each of us and a bottle of champagne explaining we did not have a chance to celebrate the night before.

We sat and ate and recollected the day and the week before and laughed and said a whole bunch of "I love yous" throughout the meal. We finished the champagne, too and were both a little tipsy. Then she pulled a second bottle from under the food cart and poured us some more. We both drank and got pretty happy. I do not recall her drinking much, if at all, while we were together, but today she would down almost an entire bottle. Not that I really minded since it was our honeymoon. We had finished most of the second bottle as she pulled me over to the bed and stripped my bathrobe off. She dropped hers and I saw she had shaved herself down there.

She said she did it while I was sleeping and wanted it to be a wedding present from her. I did not object, and as a matter of fact, I loved it and couldn't wait to bury my face in it. Before I could do anything, she pushed me down on the bed and started sucking my cock. She went at it like a lion on a kill. It took a minute for me to get it up because of the booze but when I did it was rock hard and she devoured it. I don't remember her passion for cock-sucking being so extreme as it was now. I laid back and let her go to it. Her head must have gone up and down on my shaft a couple hundred times in ten short minutes.

From between my legs she grabbed me under my thighs and pushed my legs

up so my knees were on my chest. She dipped low and started licking my ass. I couldn't believe it. We never talked about this or did I even think she knew anything about rimming, but there she was probing my buttock with her tongue all the time pumping my penis with one of her hands. She squirmed away to the side and stuck a finger from her other hand into my hole and I jumped. Nothing had ever been in there before.

She slapped my butt hard as I jumped and told me to take it like a man. She pushed my feet down towards the bed and that made my butt raise up even

with her pussy. It was soaking wet and she wiggled it into me cutting off breathing through my nose. I tried to push her away, but she only squatted down harder grinding her hips and swallowing my face in her pussy. I don't think I licked it at all. I think I just fucked her with my nose and mixed her pussy juices with the taste of champagne.

So now she's sitting on my face. She grabs my cock and bends down to suck it some more. We're going at it sixty-nine style when she takes my balls in her mouth. Both balls. She had never done this before or even came close. I'm lying

thighs tighten around my head and her leg muscles hold me there in an erotic grip that I couldn't break. I lick her as best I could but it didn't seem to be good enough. Her hands come down and she diddles herself to cumming. Again I'm amazed at her actions. All new to me. She finally cums again and releases her grip on my head. I surface for air and get off the bed fearing more hard sex.

We sleep away most of the afternoon and start again in the evening and it was sex for three straight days. We've backed off a bit and have even talked about the honeymoon sex we had. She said she had been holding back her whole life for the right man and I was it. Yes sir, I'm the man.

NO DICKS AHOY

Gotta write you and tell you what a hot pictorial that was of the two girls in the last issue [Jessi & Daisy]. I would love to be on a deserted island with them. They wouldn't need no dildos. I could do them both each day for the rest of their lives. My stamina would be enough for that. I'd fuck one in the morning and one in the evening and during the afternoon, they could both give me a blow job. We'd do that every day, but rest on Sunday. I know their pussies would need a break from me. But that's the day they could do each other and I would watch.

– Morgan, Miami

Jessi and Daisy enjoy the solitude of a deserted island together with dildos and jewels in all the right places. But no dicks allowed, boys.

more. Another finger goes in. My complaints are muffled by the pressure of my legs on my chest. She drives her finger deep in and out of me. I lay there taking it – like a man. She repositions herself back behind me and starts licking me there again. By now I have given in to her and she senses it. She alternates between sucking my dick and balls and licking my buttock.

As I feel the cum building up in me and looking for the release, she drops my legs back down, rolls me over and moves up to my face squatting down hard on it

there thinking where did this girl learn this. She had dated a few guys before me and may have even slept with one or two. She never wanted to talk about past relationships, but now she has me wondering. But I'm still loving the sex, its wildness and its intensity. I finally explode in her mouth as she sucks me dry.

Swallowing every last drop she rolls off me and lays back on the bed exhausted. Or at least I thought she was. She pulls me on her and tells me to eat her out some more. I sloppily oblige and lower my head to her pussy. As I lick, her
